

## Hose connector

Sheet steel connector for extending, connecting and joining light to medium-weight hoses

### Product Details

#### Construction / Material

- Design of the hose connector: round-rolled sheet steel with central, outwardly directed reinforcing beads
- Material of the hose connector: sheet steel, galvanised

#### Properties

- Chemical Properties: rust-protected
- Other: easy to assemble

#### Delivery Information

- Delivery, type of production: various nominal diameters are available ex production, individual nominal diameters also ex stock, individual nominal diameters also ex stock

### Article Variants

| Article number | DN of the hose<br>in mm | Length (h1)<br>in mm | Insertion depth of the hose<br>in mm |
|----------------|-------------------------|----------------------|--------------------------------------|
| 002222         | 50                      | 78                   | 36                                   |
